## **COUNCIL MEMBER CHIN CELEBRATES FAMILY DAY AT SMITH HOUSES AND GRAND STREET GUILD**

LOWER EAST SIDE – Last weekend, Council Member Margaret S. Chin participated in Family Day events at Alfred E. Smith Houses and Grand Street Guild in her Council District.

“Family Day is a time for residents of NYCHA and other buildings to come together to celebrate the support they receive from their neighbors, friends and family,” Council Member Chin said. “This exceptional group defines the spirit of our great City and is worthy of the esteem of all New Yorkers.”

This Fiscal Year, Council Member Chin allocated \$14,500 to NYCHA buildings in her Council District. This year’s funding included the amount requested by Resident Associations. For Smith Houses, Council Member Chin provided \$4,500 for Family Day, Senior Day, and High School/College Graduation Recognition Day.

At the two Family Day events on Saturday, Council Member Chin was joined by tenant leaders, residents, and at Smith Houses, by members of the Housing Bureau’s Police Service Area 4.
